***The Minister of Mines, Industry and
Technological Development
To
Bidders***

Subject: Public Call for Expressions of Interest.

The Ministry of Mines, Industry and Technological Development (MINMIDT) is planning to set up an Agro-Industrial Technopole in the Ouassa-Babouté Grouping, Nkoteng Subdivision, Haute-Sanaga Division, Centre Region, based on a Public-Private Partnership approach within the framework of an international bidding process.

This Invitation to Tender is the first step in the bidding process related to the recruitment of a Private Partner with whom MINMIDT intends to enter into a Partnership Agreement for the implementation of the said project.

In order for their offers to be assessed, Bidders must comply with all the eligibility conditions, as set out in this document.

For consistency in the presentation of bids, to ensure their simple and efficient use and help Bidders to compile a complete document, a format for the presentation of bids is included in Exhibit 1 of the enclosed Consultation File. The main dates for this first stage of the selection process are:

Launching of the Call for Expressions of Interest	February 15, 2022
Information session and site visit	From February 16, 2022
End of period provided for questions related to the Invitation to tender	April 01, 2022
Closing date for the submission of bids	May 16, 2022
Publication of names of qualified Bidders	June 15, 2022
